Dear Rotarian:

It is my pleasure to welcome you as a member of Rotary. As a member of your Rotary club you are now a part of the worldwide association of Rotary International. Your club is part of a network of 30,149 clubs with over 1,188,492 members in 162 countries.

You have joined a select group of people who share the goal of **“Service Above Self”**. As part of this select group, you have the opportunity to provide many things for your community, and your fellow man, that can't be done alone. With this opportunity comes the responsibility to help support your club with good participation. A strong club is an active club with each of its members taking part where they can do their best. Participation is stressed because it is important to provide the other members with your input. If you must be away, please plan to visit another club and bring back new ideas to share with your club. I'm sure you will find getting involved very rewarding.

Congratulations on your decision to become a Rotarian. I'm looking forward to meeting you.

Yours In Service To Rotary,

Mark

Mark von Hoetendorff,
District Governor 2002-2003
